NOTICE
 The St. Johns River Water Management District (District) gives notice of receipt of the following permit application(s):
 ERP Permit Applications
 Engineering: Crop Protection, LLC, 7145 580 Ave., Vero Beach, FL 32987. The project is located in Indian River County, Section: 22, Township: 22, Range: 34886 and includes 10.123 acres. The Environmental Resource Permit application is for construction of a surface water management system, a project known as Syngenta USWB, Utility Infrastructure Upgrade and Shop and Field Ops Building.
 The files containing the permit applications are available for inspection Monday through Friday, except for District holidays, 8 a.m. to 5 p.m. at the District's Headquarters, 4049 Reid St., Palatka, FL 32917-2528. You may also view files at one of the District's Service Centers, but you should call Service Center staff in advance to make sure that the files are at a specific Service Center. Service Center contact information is available online at floridawater.com/contacts/offices.html. Additionally, most permit application file documents can be viewed online at floridawater.com/permitting/index.html. To obtain information on how to find and view permit applications, please click on the HELP tab in E-Permitting and click on Support and FAQs and then follow the directions provided under "How to find a District Service Center (TSR) or other application file documents."
 The decision on permit applications will be made at the District's Service Center where the application is processed. A substantial objection to a permit application must be made in writing and filed with (received by) the Bureau Chief, Bureau of Regulatory Support, P.O. Box 1429, Palatka, FL 32918-1429, or by e-mail at apermit@sjrwmd.com, within 14 days of notification of the application. Please include either the Permit Application number or the Project Name in the objection. Notification of the application is either the fifth day after the date on which the written notice is deposited in the U.S. mail for those persons who receive actual notice by U.S. mail, the day the notice is emailed for those persons who receive actual notice by email, or the date the notice is published in the newspaper (if actual notice is not provided by U.S. mail or email). A "substantial objection" means a written statement directed to the District that identifies the objection, concerns hydrologic or environmental impacts of the proposed activity, and relates to applicable rule criteria. The District receives a timely substantial objection from you, then you will receive written notice of the District's intended decision on the permit application. You are advised to notify the District within 14 days of notification of the application (if you have a substantial objection, comments, or information regarding the activity proposed in the permit application. If you make a written request to the District for additional information regarding a specific permit application, you will be provided an opportunity to claim the available information. Please note that filing a written objection does not entitle you to a Chapter 120, Florida Statutes, administrative hearing.
 Notice of intended (proposed) District Decision will be provided to persons who have requested individual notification. A request for individual notice of intended (proposed) District Decision on the application must be received by the District's Bureau Chief, Bureau of Regulatory Support prior to the date the notice of intended (proposed) District Decision is generated.
